Participate in the studio audience of shows like Enough Rope with Andrew Denton or take a tour of working TV and Radio studios. The ABC Ultimo Centre is a working space, so no two tours are ever the same. Your tour is likely to include a visit to one of our two digital state-of-the-art television production studios, an on-air radio studio, a news studio and control room, as well as an insight into a variety of other ABC services, including Archives and New Media. Tours are held Monday to Friday at 9.50am and 12.20pm.
